*“A new, old fashioned way of supporting
our favourite customers”*

Dear Customer

I write a quick note and enclose a few support sleeves for you to stick on our gear, just in case you need a hand with any of it.

We recommend dropping us an email for anything that isn't critical
support@australsurveillance.com.au

For more urgent matters, please call us
[1300 130 508](tel:1300130508)

We also offer a paid 'critical care' afterhours service which can be
purchased on demand or as a yearly subscription

[0421 675 933](tel:0421675933)

With this, we aim to provide structured 'triage and administration' of
H.E.L.P, with your security needs..
