

Security Promotion Home Ice Cream

Due to the recent increased risk of theft and robbery against Home Ice Cream delivery drivers, Russell Baggaly has requested Austral Surveillance to offer the following Surveillance package

Portable
Surveillance !

DIY
INSTALLATION

Special Features

High Resolution Continuous Portable Digital Recording - Password Protection - Impact Resistant Shell - ISO 9001 Certified As Used In Emergency And Taxi Vehicles

\$1,900 DIY Installation

OR \$2,490 Fully Installed

Kit Includes:

- 1 x Outdoor Camera (CCTVODDN)
- 1 x Cable Kit, 1 x TFT Monitor,
- 1 x 80 GB Hard Drive,
- 1 x NESS EDSR 400 4 Channel Mobile DVR.

The benefits of this package are vehicle security, internal control, Work Cover and Public Liability. These problems include theft of driver earnings or hold ups, merchandise theft, short change issues and false insurance claims.

We have already successfully trialed this system at the Miranda Depot and based on these trials, we are looking to further increase our relationship Home Ice Cream and offer this special promotion to those who are looking for an advanced security solution.

If you have had one too many stock variances at stocktake or feel your cash should be safer than it currently is, you can now take a positive step in controlling this problem. Please contact us for more information.
